## WEDDINGS AT The Wilderness Reserve

In the vast Northwoods Wilderness, exists a place of tranquil beauty where shimmering lakes and majestic pines fill the landscape. This is a timeless place of new beginnings where promises are made, and where Heaven touches the earth.

The Wilderness Reserve provides peace of mind and serenity in this 5500 acre ranch and allows you to focus on what really matters on your special day.....each other. The Wilderness Reserve offers the opportunity for the perfect outdoor wedding venue with a bridge over water, that leads to a large pavilion with a spectacular view of the lake behind.

Listen to the cry of a loon, breathe in the fresh lake air, and surround yourself with nature. The Wilderness Reserve not only has the perfect setting for your ceremony, but we also have adequate space for your indoor or outdoor reception as well.

*Please call us to secure this breath-taking
